**BELL & MCCOY COMPANIES announces we will be representing
GE Lamps and Ballasts in NORTH TEXAS AND OKLAHOMA effective 7-1-2016**

We are excited to announce that we will begin representing GE Lamps and Ballasts in North Texas and Oklahoma effective Friday, July 1, 2016. Bell & McCoy now represents GE's entire Lighting Product Portfolio, Lamps (Core and LED), Ballasts, and Fixtures (HID and LED). GE has been a Leader in Lighting for over 100 years!

Bell & McCoy will shortly be announcing additions in personnel to manage the GE line working closely with the GE Lighting team to support customer needs during this transition. Lamps and Ballasts will be handled by Bell & McCoy's Supply Division, while fixtures will remain with Bell & McCoy Lighting and Controls.

Bell & McCoy was established in 1972 and, with over 230 employees, has become known as one of the largest agencies in the country. Bell & McCoy Companies covers the six states of Texas, Oklahoma, Louisiana, Arkansas, Mississippi and Western Tennessee. The manufacturers that they represent are sold through distribution and they are focused on the commercial, residential, industrial and municipality markets. Their time is spent working with distributors, electrical contractors, engineers, architects, lighting designers, general contractors, etc. to educate and influence products in the market.
